Total Offenses	72	75	210	25	0

* Total juvenile intake complaints include felonies, misdemeanors, and other offenses; therefore, the sum of felony and misdemeanor offenses may not add to the total. Traffic offenses may be delinquent or non-delinquent, but all are captured under "Traffic."

* New probation case offense data are not comparable to reports prior to FY 2013 due to the inclusion of amended offenses.

* Commitments are not comparable to previous reports because subsequent commitments are excluded.

* New probation case offense data are not comparable to reports prior to FY 2013 due to the inclusion of amended offenses.

* Commitments are not comparable to previous reports because subsequent commitments are excluded.

» 65.3% of juvenile intake cases were detention-eligible. There were 32 pre-D statuses for a rate of 2.9 eligible intakes per pre-D detention status.

Pre-D Detention LOS Distribution (Days), FY 2014 Releases*

* Individual FIPS data may not add to the statewide total due to detentions with missing ICNs which indicate the detaining FIPS.

Individual FIPS probation placements may not add to the CSU or statewide totals if cases were open in multiple FIPS. Commitment data may not match the statewide report by CSU due to different dates of data download.
