

# SOCIAL DISTANCING FOR BON AIR RESIDENTS

Social Distancing are actions that you, the residents of Bon Air Juvenile Correctional Center, can take to minimize close contact with staff and each other in order to reduce the spread of COVID-19.

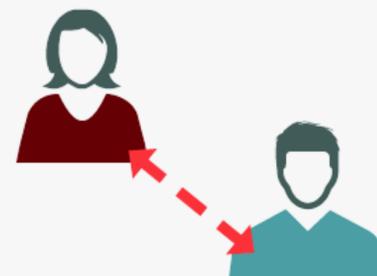

**NO HANDSHAKES  
OR HUGS**

**WASH  
YOUR HANDS**

**AVOID  
CROWDS**

**KEEP YOUR  
DISTANCE  
(about 6 feet)**

Interact in ways that minimize contact with staff and your fellow residents.

Make sure you comply with staff instructions about social distancing. Remember, six feet is considered the minimum safe distance.

Avoid shaking hands or embracing. Find ways to acknowledge staff and each other that do not involve touching, such as waving.

Do not gather in groups of 10 or more people.

Wash your hands frequently, and make sure you wash your hands a minimum of 20 seconds with soap and water.

Please alert staff whenever you are not feeling well.
