### CSU 22 “Retreat” Features DJJ-Themed Bingo Game

If you can’t bring the employees to the unit’s annual public service recognition retreat, reasoned CSU–Rocky Mount Director Joyce Green, then bring the retreat to the employees – in this case, via computer with a lively game of “DJJ Bingo” as an incentive. Eighteen CSU 22 staff participated in the DJJ-themed game Joyce devised. Prizes were displayed on two tables in Rocky Mount. Joyce called out the numbers. When a gift was chosen by a staff member, his/ her name was taped to the gift. Green also delivered the gifts to winning employees in the Chatham and Danville field offices.
