 Reference Bullet	Refer to another page or resource for additional information.

The BADGE manuals are instructional guides for users to understand how to use the BADGE application. The BADGE manuals apply the same formatting across all manuals but information specific to each module. This manual is intended to assist those using the **BADGE Direct Care Module**.

The BADGE application manuals are regularly updated and uploaded to DJJ’s website and DJJ Connect without user notification. For this reason, it is recommended that users access the manuals solely through the website instead of downloading and printing them to ensure that the most up-to-date version is used.

Process New Direct Care Admission

You cannot admit [Juvenile Name] in direct care. Juvenile currently at Bon Air Juvenile Correctional Center.

OK

 If a juvenile is currently in direct care, the *Process New Direct Care Admission* information screen will appear and inform the user that the juvenile cannot be admitted while they are currently in direct care.

 Refer to the [BADGE Login & Search User Manual](#) for instructions on how to navigate the *Find Juvenile* screen.

The data displayed in the **Juvenile Information** section at the top of the Add New Direct Care Admission screen **cannot** be edited from this screen.

1. Add New Direct Care Admission Screen

From the Add New Direct Care Admission screen, the juvenile's general information and any previous direct care admissions are displayed and a new direct care admission can be created.

a. Show Juvenile's Information Button

- (i) Click the **Show Juvenile's Information** button and the Juvenile Information screen will appear and display additional information for the juvenile. (ii) Click the **Close** button to exit the Juvenile Information screen and return to the Add New Direct Care Admission screen.

Refer to the [BADGE Juvenile & Adult Information Screens User Manual](#) for instructions on using the Juvenile Information screen.

b. Show DC Admission(s) Information Button

- (i) Click the **Show DC Admission(s) Information** button and the DC Admission History screen will appear (see the DC Admission History screen section for detailed screen instructions). (ii) Click the

Close button to exit the DC Admission History screen and return to the Add New Direct Care Admission screen.

- The **Show DC Admission(s) Information** button will be available ONLY if the juvenile has been released from a previous Direct Care admission.

c. Add a New Direct Care Admission

- To **add a new direct care** admission go to the **Please Enter Information for New Direct Care Admission** section on the bottom of the Add New Direct Care Admission screen.
 - Select the (i) **Admitting Facility**, (ii) **Prior Facility**, and (iii) **Supervisory Court FIPS** using the corresponding drop-down menus.
 - (i) Select the **Admission Date** from the drop-down calendar menu if the default date (today's date) must be changed. (ii) Enter the **Admission Time** and use the scroll arrows to select AM or PM.
 - If the juvenile has a detainer, (i) click the **Detainer?*** checkbox to place the appropriate indicator in the check box (see the checkbox legend on the bottom left of the screen). If the juvenile is eligible for good time credit, (ii) click the **Eligible for Good Time Credit?*** checkbox to place the appropriate indicator in the check box.
 - Click the **Save** button and the DC Admission History screen will appear.
 - Click the **Close** button on the DC Admission History screen to return to the Direct Care Main screen.

Refer to the DC Admission History screen section for instructions on how to navigate the DC Admission History screen.

Users can only process new admissions to facilities to which they are assigned.

A new **Direct Care Number (DC # or DC Number)** is created when a new direct care admission is entered on the Add New Direct Care Admission screen and the **Save** button is clicked. The newly created **DC Number** will be displayed immediately on the DC Admission History screen.

DC Admission History Screen

The DC Admission History screen lists all direct care admission records for the selected juvenile in the list at the top of the screen. For a direct care admission record selected from the list, the DC Admission History screen will display view only information in the **JCC Admission Information** and **LOS Release Dates** areas of the screen and on the following five tabs: *Commitment Orders*, *Committing Offenses*, *Movement*, *Classification*, and *Treatment Needs*.

The **Juvenile Info** and **Offense History** buttons in upper right corner of the screen provide direct access to the Juvenile Information and Offense History screens.

The **For DC #** area of the DC Admission History screen contains ten buttons that open direct care specific screens where information can be added, edited, or deleted for the selected direct care record.

Select the Direct Care Admission Record

From the DC Admission History screen, select the desired juvenile direct care admission record from the list at the top of the screen and the record will be highlighted in **blue** (frequently, only one record will exist). The list will show the juvenile's DC number, received by RDC date, and released date information. If the juvenile has not been released, the admission will read "Has not been released". The information displayed on the screen will change depending on the selected direct care admission.

- The **JCC Admission Information** and **LOS Release Dates** information cannot be edited from the DC Admission History screen.
- If a juvenile is a serious offender, the DC Admission History screen will read "Serious Offender" in **blue** under the **JCC Admission Information** section.

2. Click the **Yes** button to remove the record and return to the *Direct Care Main* screen.

The image shows the 'Information for DC Number' form with a confirmation dialog box titled 'Remove Direct Care Admission' overlaid. The dialog box contains a question mark icon and the text: 'Do you want to remove direct care admission for:'. Below this, it lists the following information: Juvenile's Name, Juvenile Number, DC Number, and Admission Date. It also states 'including all corresponding movement and offsite movement information?'. There are 'Yes' and 'No' buttons at the bottom of the dialog. The 'Remove' button on the form is highlighted with a red box.

 The Admission Time must be earlier than the current time.

ii. Movement Information Tab

1. The **Movement Information** section displays the juvenile's facility and housing unit movement information in a table at the top of the tab and includes Facility, Date Arrived, and Date Transferred.
 - a. **Edit Button**
 - i. (i) Click the **Edit** button and select the (ii) **Transferred to** and (iii) **Date Transferred** using the corresponding drop-down or calendar drop-down menus. Input the (iv) **Time**

Transferred value by entering the correct time directly into the textbox and using the arrows to select AM or PM.

- ii. Click the **Save** button to save the record and the **Recorded by** textbox will auto-populate with the name of the user updating the record and the date of the update.

The image shows two side-by-side screenshots of the 'Information for DC Number' form. The form is divided into several sections: Juvenile Information, Admission Information, Movement Information, and Offsite Movement Information. In the left screenshot, the 'Edit' button in the 'Movement Information' section is highlighted with a red box. In the right screenshot, the 'Save' button in the same section is highlighted with a red box. The 'Recorded by' field is auto-populated with the user's name and the date of the update.

b. Remove Button

- i. (i) Click the **Remove** button in the **Movement Information** section of the tab and the Verify confirmation screen will appear, (ii) click the **Yes** button to delete the most recent movement record and all related offsite movement information.

The image shows a screenshot of the 'Information for DC Number' form with a 'Verify' confirmation dialog box open. The dialog box asks: 'Are you sure you want to delete the most recent movement and any offsite movements for this time-frame?'. The 'Remove' button in the 'Movement Information' section is highlighted with a red box. The 'Recorded by' field is auto-populated with the user's name and the date of the update.

2. Housing Unit Movement Information Section

a. Add Button

- i. (i) Click the **Add** button and select the (ii) **Housing Unit** and (iii) **Date Moved In** using the corresponding drop-down or calendar drop-down menus. Input the (iv) **Time Moved In** value by entering the correct time directly into the textbox and using the arrows to select AM or PM.

- ii. Click the **Save** button to save the record and the **Recorded by** textbox associated with the housing unit movement record will auto-populate with the name of the user updating the record and the date of the update.

The image shows two side-by-side screenshots of the 'Information for DC Number' form. Both screenshots show the 'Movement Information' tab. The left screenshot has the 'Add' button highlighted in the 'Housing Unit Movement Information' section. The right screenshot has the 'Save' button highlighted in the same section. The form includes fields for Juvenile Information (Name, SSN, Date of Birth, Age, Race/Ethnicity, Resident of, Genetic Sex), Admission Information, Movement Information (Facility, Date Arrived, Date Transferred), and Housing Unit Movement Information (Housing Unit, Date Moved In, Time Moved In).

b. Remove Button

- i. (i) Click the **Remove** button in the **Housing Unit Movement Information** section of the tab and the Verify confirmation screen will appear, (ii) click the **Yes** button to delete the most recent housing unit movement record.

The image shows the 'Information for DC Number' form with a 'Verify' dialog box open. The dialog box contains the text: 'Are you sure you want to delete the most recent housing unit movement record?' with 'Yes' and 'No' buttons. The 'Remove' button in the 'Housing Unit Movement Information' section of the form is highlighted with a red box.

- Before the user can delete a facility from the movement record, they must first delete all associated housing units.
- A movement record cannot be edited or deleted after a juvenile has been released from Direct Care.
- Facility housing units will expand and collapse based on selection.
- The date of transfer must be greater than the date arrived and cannot be a future date.
- The newest data will automatically be loaded into the database. If there is newer data in the database, the entry will be cancelled.
- Only the most recent movement record can be deleted.

iii. Offsite Movement Information Tab

The **Offsite Movement Information Section** displays the juvenile's offsite movement information in a table at the top of the tab and includes: Moved Out, Reason, Moved In, and Facility.

1. Add Button

- a. (i) Click the **Add** button, select the (ii) **Date Moved Out** and (iii) **Time** from the drop-down calendar screen and by entering the correct time directly into the textbox and using the arrows to select AM or PM.
- b. Select the (i) **Offsite Movement Reason** using the drop-down menu. Select the (ii) **Date Moved In** and (iii) **Time** from the drop-down calendar screen and by entering the correct time directly into the textbox and using the arrows to select AM or PM.
 - i. If "Educational Program" or "Work Program" are selected for the **Offsite Movement Reason**, the user must select the (i) **Approval Start Date** and (ii) **Approval End Date** from the drop-down calendar screens.
- c. The **Facility (Based on Movement)** and **Recorded by** fields will auto-populate.
- d. Click the **Save** button.

The image displays two screenshots of the 'Information for DC Number' window in the BADGE Direct Care Module. Both screenshots show the 'Offsite Movement Information' tab selected. The left screenshot shows the 'Add' button highlighted in a red box, indicating the process of adding a new movement record. The right screenshot shows the 'Save' button highlighted in a red box, indicating the process of saving the entered information. The window includes fields for Juvenile Information (Name, SSN, Date of Birth, Age, Race/Ethnicity, Resident of, Genetic Sex), Admission Information, Movement Information, and Offsite Movement Information. The Offsite Movement Information section includes a table with columns for Moved Out, Reason, Moved In, and Facility. Below the table are fields for Date Moved Out, Time, Offsite Movement Reason, Date Moved In, Time, Approval Start Date, Approval End Date, Facility (Based on Movement), and Recorded by. The 'Add' button is located at the bottom left of the Offsite Movement Information section, and the 'Save' button is located at the bottom right of the Offsite Movement Information section.

2. Edit Button

- a. Select a record from the table in the **Offsite Movement Information** section and the record will be highlighted in blue.
- b. Click the **Edit** button.
 - i. Edit the data fields as needed (see the fields described in the **Add Button** section immediately above).
- c. Click the **Save** button when the edits are completed.

The form displays juvenile information and offsite movement details. The 'Offsite Movement Information' tab is active, showing a table with columns: Moved Out, Reason, Moved In, and Facility. A single record is listed and highlighted in blue. Below the table, there are fields for Date Moved Out, Time, Offsite Movement Reason (dropdown), Date Moved In, Time, Approval Start Date, Approval End Date, Facility (Based on Movement), and Recorded by. At the bottom, there are buttons for Add, Edit, Remove, and Close. In the right screenshot, the 'Save' button is highlighted in red.

3. Remove Button

- (i) Select a record from the table in the **Offsite Movement Information** section and the record will be highlighted in **blue**. (ii) Click the **Remove** button and the Remove Offsite Record screen will appear. (iii) Click the **Yes** button to remove the record.

4. Close Button

- Click the **Close** button to return to the DC Admission History screen.

The 'Remove Offsite Record' dialog box is displayed over the 'Information for DC Number' form. The dialog box contains a question mark icon and the text 'Do you want to remove this Offsite record?'. Below the text are 'Yes' and 'No' buttons. The background form shows the 'Offsite Movement Information' tab with the 'Remove' button highlighted in red.

The user cannot select a date earlier than the current date for the **Date Moved Out** or the **Date Moved In**.

b. Commitment Info & LOS Button

Click the **Commitment Info & LOS** button and the Commitment Orders screen will appear. The user can view, add, edit, or delete the juvenile's commitment details and offense information on the Commitment Order tab; and view, add, edit, or delete the juvenile's YASI, length of stay (LOS) and additional time, and release dates information on the LOS Calculations tab.

- If a juvenile has been released from direct care, the Commitment Orders screen will be read-only. The screen title will indicate either **Data Entry** or **Read-Only**.
- Commitment orders with a **Commitment Date** before **March 1, 2023**, will use the [2015 LOS Guidelines](#) and commitment orders with a **Commitment Date** equal to or after **March 1, 2023**, will use the [2023 LOS Guidelines](#).

i. Commitment Order Tab

The *Commitment Order* tab displays the juvenile's commitment orders in a table at the top of the tab and includes Commit #, Court FIPS, and Papers Received date. The *Commitment Order* tab also contains the *Details* and *Committing Offense* tabs that allow the user to view, add, edit, or delete the juvenile's commitment and offense information.

2. Details Tab

This tab allows the user to view, add, edit, or delete the juvenile's commitment order details.

a. Add Button

- i. (i) Click the **Add** button, select the (ii) **Commitment Date**, (iii) **Court**, and (iv) **Papers Recd** date using the corresponding drop-down or calendar drop-down menus. Select the (v) **Commitment Type** and (vi) **Court Type** from the drop-down menus.
1. If **Blended Sentence** is selected for **Commitment Type**, enter the number of months in the **Blended Months** field.

2. If **Blended Sentence**, **Determinate Commitment**, or **Subsequent Determinate** is selected for **Commitment Type**, the fields in the **Determinate Information** section become accessible.
- a. Input the (i) **Length Months**, (ii) **Days**, (iii) **Suspended Months**, (iv) **Credit Days**, and (v) **Administrative Time** into each field. (vi) Select the (vii) **Time To Be Served** and (viii) **Sentenced only to the day before [age] birthday** from the drop-down menus. The **Determinate Discharge Date** will auto-populate.
- b. (i) Enter any necessary information into the **Comment** textbox. (ii) Click the **View** button to temporarily expand the comment box to a larger notes screen, (iii) click the **Update** button to save changes made on the notes screen.

■ A **pending offense** is an alleged offense committed before the date of commitment for which there was not a final disposition or sentence prior to the determination of the projected length of stay. To calculate the **LOS** for a **pending offense**, select **Indeterminate Commitment** from the **Commitment Type** drop-down menu.

- A **subsequent indeterminate commitment** is a commitment to DJJ for an offense that a juvenile commits after the date of commitment. To calculate the **LOS** for a **subsequent indeterminate commitment** select **Subsequent Indeterminate** from the **Commitment Type** drop-down menu.

3. (i) Click the **Save** button and an information screen will state the “Commitment Order has been saved.” (ii) Click the **OK** button and the record will appear in the table on the *Commitment Order* tab.

b. Edit Button

- i. Select a record from the table at the top of the *Commitment Order* tab and the record will be highlighted in blue.
- ii. Click the **Edit** button.
 1. Edit the data fields as needed (see the fields described in the **Add Button** section immediately above).
- iii. Click the **Save** button when the edits are completed.

- As noted above, if a juvenile has been released from direct care, the *Commitment Orders* screen will be read-only, and the record will be locked. To edit a commitment order after a juvenile has been released: (i) unrelease the juvenile, (ii) make any necessary changes, and then (iii) rerelease the juvenile.

b. Delete Button

- i. (i) Select a record from the table at the top of the *Commitment Order* tab and the record will be highlighted in blue. (ii) Click the **Delete** button and a Warning screen will appear. (iii) Click the **Yes** button on the Warning screen to delete the record. An information

screen will appear stating the record is deleted, (iv) click the **OK** button to return to the Commitment Orders screen.

- The **Commitment Date** must be before the date the juvenile was received at RDC.
- If the LOS exceeds the juveniles 21st birthday, the **Determinate Discharge Date** will be set to the day before the juvenile's birthday.
- The user cannot select an age less than the juvenile's current age. If an age less than the current age is selected, the **Lengths Months** and **Days**, **Suspended Months**, **Credit Days**, **Administrative Time Months**, and **Time to Be Served** fields will become blank.

2. Committing Offense Tab

The *Committing Offense* tab displays the Offense Date, VCC Code/Description, Pending, PM, LOS Tier 2015/2023, and Non Intake Reason information (the Delete column is discussed in the delete an offense record instructions in section "d." below). The tab allows the user to add intake and non-intake offenses.

a. Edit Button

- i. (i) Select a record from the table at the top of the *Commitment Order* tab and the record will be highlighted in **blue**. (ii) Click the **Edit** button and the **Add Intake Offenses** and **Add Non Intake Offenses** buttons at the bottom of the *Committing Offense* tab will become accessible.

- The LOS Tier 2015/2023 column in the table at the bottom of the screen will display the offense tiers as categorized under the 2015 LOS Guidelines and 2023 LOS Guidelines. The 2015 categorization will be the number before the slash and the 2023 categorization will be the number after the forward slash.

b. **Add Intake Offenses Button**

- i. Click the **Add Intake Offenses** button, and the Offense History screen will appear.
 1. (i) Select a record from the **Intake Offense History** table at the top of the screen and the record will be highlighted in **blue**. (ii) Place a checkmark in the Associated column checkbox corresponding to the offense record to be associated with the commitment order.
 2. Click the **Save** button.
 3. Click the **Close** button to return to the Commitment Orders screen.

The screenshot shows the 'Commitment Orders for [Name] - Data Entry' window. It has two tabs: 'Commitment Order' and 'LOS Calculations'. c. Delete an Offense on the Committing Offense Tab

To delete a committing offense record from the table on the *Committing Offense* tab, two or more committing offense records must exist. To delete a record when only one committing offense exists the entire commitment order must be deleted. To delete the entire commitment order see the [Delete button](#) instructions in the *Commitment Order* tab, *Details* Tab section above. Deletion of the order will delete the offense.

- i. **Edit Button**

1. Click the **Edit** button and the **Delete** button(s) in the Delete column of the table on the *Committing Offense* tab will become accessible.
 - a. **Delete Button**
 - i. (i) Select a record in the table, and the row will be highlighted in blue. (ii) Click the **Delete** button and a Warning screen will appear advising the user of the possible requirement to adjust LOS calculations. (iii) Click the **Yes** button on

the Warning screen to acknowledge the warning and delete the committing offense record.

- If the user attempts to delete the last remaining offense an information screen will appear and state the commitment order must be deleted to delete the last committing offense.

ii. Save Button

- (i) Click the **Save** button to save the edit/deletion and an information screen will appear and state the record has been saved. (ii) Click the **OK** button to return to the Commitment Orders screen.

- Save or cancel information on the Commitment Order tab before moving to the LOS Calculations tab.
- When attempting to add an offense for a juvenile not between ages 11 and 21, the user will get a Warning screen before continuing.
- The Details tab must have information selected to enter information on the Committing Offense tab.

ii. LOS Calculations Tab

The LOS Calculations tab displays the juvenile's indeterminate/subsequent indeterminate calculations in a table at the top of the tab and includes LOS Calculation Date, Commitment Date, YASI Risk Level, Date YASI Administered, Most Serious Offense Tier, LOS Min-Max, Admin Time (Months), Jail Time (Days), Early Release Date, Late Release Date, and Statutory Release Date. The tab also allows the user to add, edit, or delete **YASI Information**, **LOS / Additional Time**, **Release Dates**, and **Notes**.

- The *LOS Calculations* tab will only be accessible if the juvenile has an indeterminate or subsequent indeterminate commitment.
- Enter the commitment order **Details** and **Committing Offense** before calculating LOS.

1. Add Button

- a. (i) Click the **Add** button and the **Administrative Time (Months)**, **Jail Time (Days)** and **Notes** textboxes, and the **Special Decision Case** checkbox will become accessible. If applicable, enter the (ii) **Administrative Time (Months)** and (iii) **Jail Time (Days)** into the corresponding fields. If the commitment is a special decision case, (iv) click the **Special Decision Case** checkbox.
- b. (i) Enter any necessary information into the **Notes** textbox. (ii) Click the **View** button to temporarily expand the **Notes** textbox to a larger notes screen, (iii) click the Update button to save changes made on the notes screen.

- c. Click the **Calculate LOS** button.
 - i. The fields in the **YASI Information**, **LOS / Additional Time**, and **Release Dates** sections will auto-populate. This includes the following fields: **Date Administered**, **Completed by FIPS**, **Risk Level**, **Overall Risk Score**, **Dynamic Protective Score**, **Dynamic Risk Score**, **Most Serious Offense Tier**, **LOS (Months)**, **Early Release Date**, **Late Release Date**, and **Statutory** (release date).
 - ii. If an entry was made in the **Administrative Time (Months)** field a statement will appear in the **Notes** textbox and inform the user of the number of months of administrative time that have been added to the early and late release dates. Any other relevant LOS calculation information that exists will also be presented in the **Notes** textbox.

- iii. If an entry was made in the **Jail Time (Days)** field a statement will appear in the **Notes** textbox and inform the user of the number of days of jail time that have been added to the early and late release dates. Any other relevant LOS calculation information that exists will also be presented in the **Notes** textbox.
- d. Click the **Save** button.

- After clicking the **Calculate LOS** button on the **LOS Calculations** tab, the **YASI Information**, **Most Serious Offense Tier**, **LOS (Months)**, and **Release Dates** fields will auto-populate if applicable.
- To calculate the LOS, a YASI record must exist within 30 days (preceding or following) of the date of admission.

- When calculating the LOS, the **Notes** textbox will inform the user if the ERD, LDR, or SRD are after the juvenile's 21st birthday. The relevant release dates will be reset to the day before the juvenile's 21st birthday.
- When calculating the LOS, the **Notes** textbox will inform the user if the ERD or LRD are after the SRD. The relevant release dates will be reset to the SRD.

2. Edit Button

- a. Select a record from the table at the top of the **LOS Calculations** tab and the record will be highlighted in **blue**.
- b. Click the **Edit** button.
 - i. Edit the accessible data fields as needed. Only the **Administrative Time (Months)** and **Jail Time (Days)** fields, **Notes** textbox, and **Special Decision Case** checkbox can be edited.
 - ii. Click the **Calculate LOS** button to recalculate the LOS when updated values are entered into the **Administrative Time (Months)** and/or **Jail Time (Days)** fields.
- c. Click the **Save** button when the edits are completed.

- d. Click the **Cancel** button when adding or editing a LOS calculation to proceed without saving any changes.

3. Delete Button

- a. (i) Select a record from the table at the top of the *LOS Calculations* tab and the record will be highlighted in blue. (ii) Click the **Delete** button and a Warning screen will appear. (iii) Click the **Yes** button on the Warning screen to delete the record.

c. Classification/Reclassification Button

Click the **Classification/Reclassification** button and the Custody Classification for Juvenile screen will appear. The juvenile's Review Type, Classification Type, Custody Level Recommended, Override Custody Level, and Assessment information is displayed in a table at the top of the screen.

The screenshot shows the 'Custody Classification for Juvenile' interface. At the top, there is a table with columns: Classification Type, Assessment, Review Type, Custody Level Recommended, and Override Custody Level. The 'Initial' row is highlighted in blue. Below the table, there are buttons: 'Class Worksheet', 'Reclass Worksheet', 'Add Classification', 'Add Reclassification', 'View', and 'Delete' (highlighted with a red box). The 'Delete' button is located in the bottom right area of the main form.

A warning dialog box with a yellow triangle icon. The text reads: "Are you sure you want to delete this Classification record?". There are two buttons: 'Yes' (highlighted with a red box) and 'No'.

A dialog box with a close button (X) in the top right corner. The text reads: "Record deleted.". There is one button: 'OK' (highlighted with a red box).

A dialog box with a close button (X) in the top right corner. The text reads: "You can only delete the last classification record.". There is one button: 'OK' (highlighted with a red box).

Only the most recent classification recorded can be deleted.

vii. Cancel Button

1. Click the **Cancel** button and unsaved information will be cleared.

viii. Print Button

1. Select the desired initial or reclassification record from the table at the top of the Custody Classification for Juvenile screen and the row will be highlighted in blue.
2. Click the **Print** button and the completed form for the selected record will display in the report viewer screen, either the: **INITIAL CUSTODY DESIGNATION FORM** or **CUSTODY RECLASSIFICATION FORM**. Both forms display the juvenile's demographic data, classification scoring, and placement considerations.

d. Population Board Button

Click the **Population Board** button and the Population Board screen will appear. The screen will display view only information in the **Juvenile Information** and **Case Management** areas of the screen and allow the user to view, add, or edit medical and housing alerts in the **Alerts** area of the screen. The screen also allows the user to generate population board strips using the **Print Strips** drop-down menu.

i. Search Menu

1. From the Population Board screen (i) click the **Search** drop-down menu, (ii) select the **By Juvenile Number (Current population only)** option from the drop-down menu, and the Find Juvenile screen will appear. (iii) Follow the instructions in the Admissions by Juvenile Section to find and select the appropriate juvenile record and the selected juvenile's information will appear in the Population Board screen.

By default, the search is performed on the current population only. As a result, the user can only select a juvenile that has an open direct care admission.

Refer to the [BADGE Login & Search User Manual](#) for instructions on how to navigate the *Find Juvenile* screen.

- a. The color of the *Population Board* screen is determined by the **Commitment Status** of the juvenile as follows: “REGULAR” displays the standard BADGE background color (the BADGE background color changes every quarter), “MAJOR” displays as orange, and “SERIOUS” displays as blue.
 - i. The color of the **Custody Level** and **Self-Injury Alert Level** fields also change based upon the severity of the level.

f. **DC Forms Button**

Click the **DC Forms** button and the Direct Care Forms screen will appear. The user can view completed direct care forms or add new *Visitation*, *Vulnerability Assessment*, and *Residential Transfer* forms. Any completed forms will be listed in the table at the top of the screen by Form Type and Date Completed. The available form types are summarized in the table below.

- Only one of each form type for **Visitation** and **Residential Transfer** can be added.
- Forms can be edited by clicking the **View** button.
- Forms cannot be deleted directly from the *Direct Care Forms* screen.

DC Form Type	Description
Visitation	The Visitation form allows the user to access visitor information for the juvenile. This information includes visitors, siblings, children, other visitors, and the visitor log. The user can enter additional information about visitors, add new visitors, delete visitors, note visitor authorization status, and view information about specific visits. The user can also generate a visitor report.
Vulnerability Assessment	The Vulnerability Assessment form allows the user to access the juvenile's risk of victimization and perpetration information. This information includes demographic, committing offense, mental health diagnosis, and gang alert information. The user can document the juvenile's responses to risk of victimization and perpetration resident questions and record staff observations related to the juvenile's risk of victimization. The user can also generate a vulnerability assessment report.
Residential Transfer	The Residential Transfer form allows the user to access the juvenile's safety and security alert information that is applicable when the juvenile is transferred to a different facility or program. The user can document responses to alert questions, and review previously entered alert information. The user can also generate a residential transfer report.

i. View Button

- To view or edit an existing form, (i) select a record in the table, and the row will be highlighted in **blue**. (ii) Click the **View** button to open the form and follow the instructions for the specific form type detailed in the sections below: **Visitation Form**, **Vulnerability Assessment Form**, and **Residential Transfer Form**.

ii. Refresh Button

- Click the **Refresh** button to ensure the most current information is being displayed in the **Direct Care Forms** table.

iii. Visitation Form

From the *Direct Care Forms* screen, (i) select **Visitation** from the **Form Type** drop-down menu, (ii) click the **Add** button, and the *Visitation* screen will appear displaying the juvenile's visitor management information. The *Visitation* screen will allow the user to add, edit, or delete certain information on the following tabs: *Visitors*, *Siblings*, *Children*, *Other Visitors*, and *Visitor Log*.

The screenshot shows the 'Direct Care Forms' window. At the bottom, there is a section 'Add New Form' with a 'Form Type' dropdown menu. The dropdown is open, and 'Visitation' is selected. To the right of the dropdown is an 'Add' button, which is highlighted with a red rectangular box.

The screenshot shows the 'Visitation' window with the 'Visitor Management' tab selected. The 'Visitors' sub-tab is active. It displays a table with columns for 'NAME', 'APPROVED?' (YES/NO), and a 'Comments / Instructions' text area. The 'APPROVED?' column has radio buttons for 'YES' and 'NO'. At the bottom, there are 'Save Data', 'Refresh Data', 'View Report', and 'Close' buttons.

1. Visitors Tab

- The *Visitors* tab displays the juvenile's visitor type (parent, guardian, etc.), name, approval status, and any additional comments or instructions.
- When the tab is selected the **NAME** information (visitor type and name) associated with the juvenile will auto-populate the tab and cannot be modified by the user on the *Visitation* screen.
- Adjacent to the appropriate visitor's name, (i) select **YES** or **NO** if the visitor is **APPROVED** and (ii) enter any additional information into the **Comments/Instructions** textbox.
- (i) Click the **Save Data** button when the edits are completed and the *Save Successfully* information screen will appear. (ii) Click the **OK** button to return to the *Visitation* screen.
- Click the **Refresh Data** button on the *Visitors* tab to ensure the most current information is being displayed.

This screenshot is similar to the previous one but highlights the 'Visitors' tab. The 'APPROVED?' column has radio buttons for 'YES' and 'NO'. The 'Save Data' and 'Refresh Data' buttons are highlighted with red boxes at the bottom.

The screenshot shows a 'Saved Successfully' dialog box. It contains an information icon, the text 'Visitor List saved successfully.', and an 'OK' button.

2. Siblings Tab

- The *Siblings* tab displays the juvenile's available sibling information.
- When the tab is selected the **SIBLING NAME** and **AGE** will auto-populate and cannot be modified by the user on the *Visitation* screen.
- Adjacent to the appropriate sibling's name, select **YES** or **NO** if the visitor is **APPROVED**.
- (i) Click the **Save Data** button when the edits are completed and the *Saved Successfully* information screen will appear. (ii) Click the **OK** button to return to the *Visitation* screen.
- Click the **Refresh Data** button on the *Siblings* tab to ensure the most current information is being displayed.

3. Children Tab

- The *Children* tab displays the juvenile's available children information.
- When the tab is selected the **CHILD NAME** and **AGE** will auto-populate and cannot be modified by the user on the *Visitation* screen.
- Adjacent to the appropriate sibling's name, select **YES** or **NO** if the visitor is **APPROVED**.
- (i) Click the **Save Data** button when the edits are completed and the *Saved Successfully* information screen will appear. (ii) Click the **OK** button to return to the *Visitation* screen.
- Click the **Refresh Data** button on the *Children* tab to ensure the most current information is being displayed.

 A sibling or child must be added through editing the *Juvenile Information* screen before appearing as a visitor on the Siblings tab.

 For instructions on adding a sibling or child to a juvenile's record, refer to the [BADGE Juvenile & Adult Information Screens](#) manual.

4. Other Visitors Tab

- The *Other Visitors* tab displays visitors' data not listed on the *Visitors*, *Siblings*, or *Children* tabs. The table on the *Other Visitors* tab will display Visitor Name, DOB, Type, Authorizing Admin, Last Update, and Approved. The user can add, modify, or delete other visitor information on this tab.
 - Add Visitor Button**
 - Click the **Add Visitor** button and the *Add Visitor* screen will appear.
 - (i) Enter the **Visitor Name** in the textbox, (ii) select the **Visitor Type** from the drop-down menu, (iii) select the **DOB** from the calendar drop-down menu, (iv) and select **Yes** or **No** to indicate if **Approved**.
 - If **Extended Family** or **Natural Support** is selected for the **Visitor Type**, a warning will advise that the **Authorizing Admin** (logged on user) must have permission for this action and is being recorded.

- b. Click the **Save Visitor** button, the Add Visitor screen will close, and the other visitor record will appear in the table on the *Other Visitors* tab.
- c. Click the **Cancel** button on the Add Visitor screen to return to the *Other Visitors* tab without saving any data.

iv. Vulnerability Assessment Form

From the *Direct Care Forms* screen, (i) select **Vulnerability Assessment** from the **Form Type** drop-down menu, (ii) click the **Add** button, and the *Vulnerability Assessment* screen will appear. The *Vulnerability Assessment* screen allows the user to access the juvenile's risk of victimization and perpetration information, record the juvenile's responses, and record staff observations. The *Vulnerability Assessment* screen consists of the *Pre-Populated Information*, *Resident Questions*, and *Staff Observations* tabs.

If the juvenile is a released admission an information screen will appear stating the assessment cannot be completed.

1. Pre-Populated Information Tab

This tab displays the juvenile's general information, risk of victimization and perpetration information, and is primarily auto-populated based on existing data. The user should review this information for accuracy.

- The **General Information** section of the tab auto-populates and displays the juvenile's demographic data and the following fields: **Date Youth Admitted to Current DJJ Facility**, **Assessment Date**, **Staff Completing Vulnerability Assessment** (the logged in BADGE user), and **Previous Vulnerability Assessment Date(s)**.
- The **Risk of Victimization** section of the tab displays auto-populated risk of victimization assessment questions.
 - For the question **PV13** (mental health diagnosis) the user may (i) select the **Yes** or **No** radio button and (ii) enter appropriate text in the **Notes** textbox.
 - For question **PV14** (intellectual/developmental disabilities) the user may (i) select the **Yes** or **No** radio button and (ii) enter appropriate text in the **Notes** textbox.

- c. The **Risk of Perpetration** section of the tab displays auto-populated risk of perpetration assessment questions.
 - i. The user may enter appropriate text in the **Additional Comments** textbox below question **PP3**.

vi. Outcome Tab

The Outcome tab displays the juvenile's resident grievance outcome information to include **Disposition**, **Unfounded Subdisposition**, **Substantiated Subdisposition**, **Juvenile's Response to Resolution**, and if **Appealed**.

The screenshot shows a web application window titled "Resident Grievance for [Name]". At the top is a table with columns: Tracking #, Incident Date, Received Date, Incident Class, Grievance Area, and Disposition. Below the table are tabs: Incident Information, Investigation/ Levels, and Outcome. The Outcome tab is selected and highlighted with a red box. The form contains the following fields:

- Disposition: [Dropdown menu]
- Unfounded Subdisposition: [Dropdown menu]
- Substantiated Subdisposition: [Dropdown menu]
- Juvenile's Response to Resolution: [Dropdown menu]
- ☐ Appealed

At the bottom are buttons: Add, Save, Cancel, Close, and Print Investigation.

- The **Appealed** checkbox will only appear if the **Juvenile's Response to Resolution** is selected as **Unsatisfied**.
- If the fields in the *Outcome* tab are not accessible, the user will be required to select a record from the table at the top of the *Resident Grievance* screen and click the **Edit** button.

1. Select the **Disposition** from the drop-down menu.
 - a. If "Unfounded" is selected for the **Disposition** the user must select the **Unfounded Subdisposition** using the drop-down menu.
 - b. If "Substantiated" is selected for the **Disposition** the user must select the **Substantiated Subdisposition** using the drop-down menu.
2. Select the **Juvenile's Response to Resolution** from the drop-down menu.
 - a. If "Unsatisfied" is selected for the **Juvenile's Response to Resolution** the user may place a checkmark in the **Appealed** checkbox to indicate the juvenile has appealed the decision.
3. Click the **Save** button.

The screenshot shows the 'Resident Grievance' form with the 'Outcome' tab selected. The form includes a table at the top with columns: Tracking #, Incident Date, Received Date, Incident Class, Grievance Area, and Disposition. Below the table are tabs for Incident Information, Investigation/ Levels, and Outcome. The Outcome tab is active, showing a red box around the following fields: Disposition (dropdown), Unfounded Subdisposition (dropdown), Substantiated Subdisposition (dropdown), Juvenile's Response to Resolution (dropdown), and an 'Appealed' checkbox. At the bottom of the form, the 'Save' button is highlighted with a red box, along with 'Add', 'Cancel', 'Close', and 'Print Investigation' buttons.

vii. Close Button

1. Click the **Close** button on the Resident Grievance screen to return to the DC Admission History screen.
 - a. If the user clicks the close button while editing an existing record the Confirmation screen will appear. Click the **Yes** button to lose any unsaved information and return to the DC Admission History screen.

The screenshot shows a 'Confirmation' dialog box with a question mark icon. The text inside reads: 'Are you sure you want to close this form? Any unsaved data will be lost.' At the bottom, there are two buttons: 'Yes' and 'No'.

viii. Print Investigation Button

1. (i) Select the desired record from the table at the top of the Resident Grievance screen and the row will be highlighted in blue. (ii) Click the **Print Investigation** button and the RESIDENT GRIEVANCE INVESTIGATION REPORT screen will display the **Resident Grievance System Investigation Report**. The report will display all the information documented on the *Incident Information*, *Investigation/Levels*, and *Outcome* tabs for the selected record.
2. Click the "X" button to close the RESIDENT GRIEVANCE INVESTIGATION REPORT screen and return to the Resident Grievance screen.

i. Juvenile Profile Button

Click the **Juvenile Profile** button and the Juvenile Profile screen will appear. The user can view, edit, delete, or add juvenile profile forms. Any completed forms will be listed in the table at the top of the screen by Form Type and Date Completed. The available form types are summarized in the table below.

Form Type	Description
Education Information	The Education Information form displays the juvenile's education needs and assessment information.
LOS Determine	The LOS Determine form displays the juvenile's length of stay information, treatment, and service needs information.

iv. Personal Action Plan Tab

The *Personal Action Plan* tab displays the juvenile's action plan information in a table at the top of the tab and includes Recorded By, Date Completed, and Next Treatment Team Review Date. The tab allows the user to view, add, edit, delete, copy, or print the juvenile's personal action plan information.

The screenshot shows the 'Juvenile Level' window with the 'Personal Action Plan' tab selected. It features a table with columns: Recorded By, Date Completed, and Next Treatment Team Review Date. Below the table are buttons for Add, Edit, Delete, and Copy. Further down are sections for Date Completed, Next Treatment Team Review Date, and various goal categories (Education and Career Goals, Family Dynamics, Social Interactions, Motivation) with 'View' buttons. At the bottom are buttons for Save, Print, and Cancel.

1. Add Button

- a. (i) Click the **Add** button, and the fields on the *Personal Action Plan* tab will become accessible. Select the (ii) **Date Completed** and the (iii) **Next Treatment Team Review Date** from the corresponding calendar drop-down menus.
- b. Enter appropriate text into the corresponding textboxes for (i) **Education and Career Goals and Development**, (ii) **Family Dynamics and Home Life**, (iii) **Social Interactions and Support Team**, (iv) **Motivation (Spirituality/Values Belief System)**, (v) **Personal Growth**, and (vi) **Wellness**.
 - i. For any of the textboxes, (i) click the **View** button to temporarily expand the comment textbox into a larger *Personal Action Plan* textbox screen for the corresponding category.
 - (ii) Click the **Update** button to save changes made on the expanded textbox screen.
 - (iii) Click the **Cancel** button to exit the expanded textbox screen without saving any changes.
- c. In the **Three Goals to be Achieved within the First Six Months After Release** section, enter appropriate text into the corresponding textboxes for each goal for (i) **1**, (ii) **2**, and (iii) **3**.
- d. Click the **Save** button and the record will appear in the table at the top of the *Personal Action Plan* tab. The **Recorded By** entry will auto-populate with the name of the logged in BADGE user making the entry.

■ All textboxes must be completed on the *Personal Action Plan* tab to save the record.

2. Edit Button

- a. (i) Select a record from the table at the top of the *Personal Action Plan* tab and the record will be highlighted in blue. (ii) Click the **Edit** button and edit the data fields as needed (see the fields described in the **Add Button** section immediately above).
- b. Click the **Save** button when the edits are completed.

3. Delete Button

- a. (i) Select a record from the table at the top of the *Personal Action Plan* tab and the record will be highlighted in blue. (ii) Click the **Delete** button and a Warning screen will appear. (iii) Click the **Yes** button on the Warning screen to delete the record.

4. Copy Button

- a. Use the **Copy** button to add a new personal action plan record that includes much of the same information as the last recorded personal action plan record. Rather than clicking the **Add** button, (i) click the **Copy** button and the *Information* screen will appear. (ii) Click the **Yes** button and a new personal action plan record will be created and populated with the data from the preceding record.
- b. Update the data fields as needed (see the fields described in the **Add Button** section immediately above).
- c. Click the **Save** button when the updates are completed.
